

AISHA HAYNES

CURRICULUM DEVELOPMENT

C.O.O.L Kids completes the work of my classroom. One of my goals as an educator is to create civic-minded people (especially in inner-city classrooms) who act in their own best interest. As a Brooklyn native, it has been a powerful experience to return to the communities that raised me. The unique vision of C.O.O.L. Kids has inspired me to pay forward, in a meaningful way, the many opportunities afforded to me. I am hoping to continue to affect change in inner-city communities by pursuing an EdD in Educational Leadership and Policy.
